## Mexican Feather Grass Sold in White Metal Jug and Wooden Slat Pot

BIG W is voluntarily recalling a Mexican Feather Grass Plant that has been identified as being a prohibited noxious weed. The plants were sold in BIG W stores in Victoria from 1 May 2008 until 16 May 2008. They were labelled "Summerhill" and were marked with BIG W keycodes 188 3138 and 188 2452. They were sold in two types of containers - a white metal jug or a slatted timber container, as illustrated.

The plants do not pose a risk to humans but their spread would have agricultural and economic impact. They should not be discarded. Instead they should be returned to the nearest BIG W store for disposal and a full refund.

BIG W sincerely apologises to customers for any inconvenience caused by this product recall.
